## WOOD FAMILY REUNION

**THANK YOU FOR THE TREMENDOUS SUPPORT!** We need volunteers for 2010. Here are the categories and folks who volunteered so far:

1. **PROJECT LEADER / COORDINATOR.** This person will henceforth be known as the REUNION GRAND POOBAH and will coordinate the year's reunion schedule, speakers, and agenda, as well as making sure other projects are done.
2. **SECURE MEETING HALL** in Tattnall or Evans County for the next Reunion in February, 2010. Arrange for setup and cleanup.
3. **MEDIA CONTACT.** Create media kits and press releases for all local and state print and online media.
4. **GENEOLOGY RESEARCH.** This is an ongoing history project. Provide information also to website developers. (Nancy Crosby)
5. **WOOD FAMILY DIRECTORY.** Keep names, addresses, phone numbers and e-mail addresses current on all surviving relatives. (Pam Lindsay).
6. **WEBMASTER.** Upgrade and maintain existing website at [www.woodfamilyreunion.org](http://www.woodfamilyreunion.org). (Craig Weatherly)
7. **SPREAD THE WORD.** Locate living descendants of Roger Wood to let them know about the reunion and available projects. We need to find the descendants of Charlie Tippins Wood and Carolyn Wood Rogers and invite them next time! (Everybody!)
